VI. ADMISSION PROCEDURES

Students seeking admission into the Bachelor of Science in Dental Hygiene Program in the College of General Studies must first apply to and be admitted to the Dental Hygiene Program, School of Dental Medicine. Requirements for admission follow.

- Successful completion of a Program in Dental Hygiene accredited by the ADA Commission on Dental Accreditation and submission of an official copy of the Dental Hygiene Program transcript(s) and other colleges attended.
- License to practice dental hygiene in at least one state or be eligible for licensure in Pennsylvania.

- CPR certification.
- Completion of HBV series and Mantoux test.
- A 2.25 minimum grade point average on a 4.00 scale.
- National Dental Hygiene Board Examination score.
- State/Regional Dental Hygiene Board Examination score.
- Three letters of recommendation; one from the director and/or a faculty member from the Program in Dental Hygiene from which the candidate graduated.
- Completion of the Bachelor Degree Program application.

Upon successful completion of the specified courses in the Dental Hygiene Program with a 2.25 overall QPA, students transfer to the College of General Studies. No additional records will be required to be submitted by the students to the College of General Studies.

VII. PERIODIC REVIEW

The Office of the Director, Dental Hygiene Program, and Office of the Dean, College of General Studies, University of Pittsburgh, will review this agreement annually and in consultation with Department Head, Dental Assisting Hygiene, Community College of Philadelphia, make any minor revisions needed. Significant changes require the approval of the Dean, College of General studies, and the Dean, Business, Science and Technology, Community College of Philadelphia.

VIII. TERMINATION OF THE AGREEMENT

This agreement can be terminated at any time by either the University of Pittsburgh or the Community College of Philadelphia by written notice at least ninety days in advance of the effective date of termination.
